

# Saturday Safety Seminar and Ramp Check Demo at Knoxville

We will review what some of the Flight Standards District Office responsibilities are, what the top violations in aviation are and how to avoid getting one. A FSDO inspector will also demonstrate how a ramp inspection is actually performed and why they are needed.

**Directions:** The safety meeting will begin at 12:00 in the hangar and has no cost. A Fly-in breakfast for purchase will be served from 0700-1100.

## A message from the National FAASTeam Manager
