

# FAASteam Presents: Master Pilot and Master Mechanic Award Presentations: Hemann, Gross and Trimble!

Potluck grilling at 6:00, presentation at 7:30. You may have made the same decisions that these pilots made before or during your flight. The only difference is that they did it for fifty years! Join us as we celebrate these award presentations. This is also the area event known as the Third Thursday Burger Burn. Visit facebook at "Third Thursday BBQ at MCW". Come and help the group celebrate Aviation Safety and share some stories.

**Directions:** The meeting will be held in Doug Rozendaal's hangar at the Mason City Municipal airport. Doug's hangar is east of the main terminal with parking space for cars and aircraft. A guard will let you through the security gate if you mention the meeting.
