

Radio Communications

“Say again, please?” is always better than no radio call. Learn tips and tricks to talking to Air Traffic Control as well as communicating with fellow pilots. Plus, chat with local Air Traffic Controllers in a Q&A session!

Directions: If driving, exit Hwy 248 North. Follow Signs to Airport. Meeting will be held in upstairs meeting room of FBO.

Representative Brian Edward Mishmash

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the “Contact Information” area of the meeting/event notice. Note that two weeks is usually required to arrange services.
