

## ADS B and Drones at Boone Area Pilots Meeting

Inspectors from the FSDO will be explaining Drones and ADS-B challenges and answering your questions. Find out about the rebate program. Find out how ADS-B equipment can be placed in experimental aircraft.

**Directions:** The meeting will be held in the terminal building hangar. Speakers will include subject matter expert inspectors from the Des Moines FSDO. Please register.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
