

## Local Runway Safety Action Team Meeting

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in airside operations and movement of aircraft, vehicles, and equipment on the airport. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited and encouraged to join us.

**Directions:** The meeting will be held at the airport Public Safety Building. Space is limited so arrive early.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
