

EAA Ch 33 VMC Club

EAA VMC Club meetings follow format established by EAA HQ. Part 1 is the presentation and discussion on a Questions supplied by HQ. A volunteer CFI will lead the discussion and present the answer. Part 2 consists of a video of a flight scenario provided by HQ. The intent of this video is to create a hanger chat environment of free will discussion to explore different options a pilot should consider with ends of being a safe conclusion of the flight. ****Please pre-register so we know attendance numbers in advance.****

Directions: At the end of Lippisch PL SW in the airport safety building. Meeting in the conference room first door on the left.

A message from the National FAASTeam Manager
