

EAA Chapter 135 Monthly VMC/IMC Club Meeting

The EAA VMC & IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

Bring your EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member or instrument rated pilot to attend.

We will also be discussing how you can earn **WINGS** Credit.

In addition to the Real-World Scenarios, we will also be discussing marginal weather and the decision on go/no-go situations.

The meeting will be in the conference room at the FBO at KIKV. Walk in the building and proceed upstairs to the conference room.

For those that chose to fly in, taxi to and park at Exec 1 Aviation.

The first hour of this safety presentation will discuss a practical scenario relevant for VFR pilots, while the second hour of this safety presentation will cover a practical scenario relevant for IFR pilots.
