

EAA Chapter 33 Monthly VMC/IMC Club Meeting

The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

Bring your EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member or instrument rated pilot to attend.

In addition to the Real-Word Scenarios, we will also be discussing marginal weather and the decision on go/no go situations

Event Details

Thu, May 14, 2026 at 18:30 CDT

Keith's Hangar

3411 Beech Way Ave SW

Cedar Rapids, IA

Contact: Kim Magee

(314)750-0916
