

National FAA Safety Team presents:

# 2012 Safety Stand Down & Fly/Drive-In Breakfast & BBQ Lunch!

8:00 - Breakfast Buffet & 12 Noon BBQ Plate available. This year's FAASTeam Safety Stand Down focuses on Loss of Control. Loss of Control In-Flight was the dominant cause of fatal general aviation accidents over the last decade. Loss of Control refers to accidents resulting from situations in which the pilot should have either maintained or regained control of the aircraft, but did not. Purchase of a meal is not required for attendance.

**Directions:** Take Airport exit south from Cape Girardeau westbound, then follow signs to airport.
