

## FAASafetyTeamTV Seminar: The FAA Taxi Test! Can you pass it?

Pilots put themselves and others in danger every day by missing important airport signage, lighting and markings. We know the markings for the most part, but why do smart pilots still make mistakes? Are you at risk for making the same mistakes? Our quiz for you may tell all.

This is the link to LiveStream to view the seminar live (or on demand afterwards.)

Click here for an informational video about this FAASafetyTeamTV event.

**Directions:** Link to the program at time of seminar below as well. This will be a ONE HOUR LIVESTREAM event over the internet. Typing [new.livestream.com/faasteam](http://new.livestream.com/faasteam) will get you to the site. Watch the video promotional trailer by clicking the link below.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.

### Event Details

Tue, Jun 25, 2013 - 7:00 pm
