

Attention All Pilots: The FAA Taxi Test! Can you pass it? Door Prizes for Attendance!

Pilots put themselves and others in danger every day by missing important airport signage, lighting and markings. We know the markings for the most part, but why do smart pilots still make mistakes? Are you at risk for making the same mistakes? Our quiz for you may tell all. For a video promo of this event, [click here](#).

Directions: Mizzou Aviation Building on the west side of Joplin Airport.
