The 45th Annual GSLIA Flight Instructor Refresher Clinic is truly “one-of-a-kind” as it is presented by active aviation professionals in a guided-discussion format. Why sit behind a computer all alone trying to complete an on-line or “out of the box” FIRC with no human interaction? The GSLFIA allows you to interact directly with the presenters, ask questions and help guide the discussion to get the most out of the information. The GSLFIA FIRC follows a recently issued Advisory Circular that is focused on timely issues of interest to all professional flight instructors including TSA rules, Pilot Deviations, Recent Regulation and Policy changes, building a safety culture and information and advice for those returning to flight instruction.

Early Registration (before 01/01/15)	\$200.00
Day of Event, at the door	\$225.00
Audit Fee (as space allows)	\$50.00
