

Preventing Loss of Control Accidents presented by the GSLFIA

Loss of Control accidents far exceed other types of accidents. How can you best prepare your students to avoid LOC accidents?

Directions: From St. Louis, south on Hwy 3 South to Queeny Road, take left onto Queeny. Right on Nickell with immediate right on Falling Springs Road. Next left is Curtiss Steinberg Road, a left turn. Go over bridge, through the first stop sign and turn right into parking for Jet Aviation FBO. Firehouse is in front of you.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
