

This Saturday- The Ultra-Advanced Preflight - Fly-In for Coffee and Bagels

Improper preflights cause many accidents.

Expert aircraft mechanic, pilot and flight instructor Bill Hopper will lead a discussion on how to preflight an airplane like a boss! Loads of WINGS credits.

Directions: Take Creve Coeur Airport Road from Maryland Heights Expressway. From parking lot go through gate and the hanger is on the far left. See Attachments for map to hangar and parking.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
