

FAA Safety Team presents:

2021 Midwest Aviation Safety Seminar

Brief Description: This seminar is open to both fixed-wing and rotary wing pilots. Top industry and regional representatives provide the latest information on safety issues facing the fixed-wing and rotorcraft industry. The topics are relative to pilots, operators, and maintenance personnel. Don't miss the opportunity to learn, share information with your peers, ask questions, and have your voice heard. What you learn may be a life saver.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.

Directions: From I-64/40W - Exit Long Road. At the traffic light, turn right on Chesterfield Airport Road. At the next traffic light turn left on to Spirit of St. Louis Blvd. Take an immediate right on to Wings of Hope Blvd. Turn left in the parking lot of the black glass building. Follow the signs to the seminar entrance. The seminar will be held in the hangar.
