Flight Service, or self-brief? As it turns out, both strategies bring value in our flight planning. Jeff Arnold, Director of Innovation & Outreach for Leidos Flight Service, will present self-brief strategies as well as ways we can fully leverage Flight Service in 2024.

Jeff will also address some myths and facts about Flight Service and give us a walk-through of the website. When we learn to co-exist with weather, we can avoid joining the statistics!
