

The Schiff Show - Fuel Planning / Exhaustion / and Starvation

The topic of this presentation will be fuel planning, exhaustion, and starvation. We will review an accident that resulted from fuel mismanagement, the regulations involved, what could have been done differently, and tech tips for fuel planning and management so this doesn't happen to you.

This show follows a format to review a variety of factors related to the fuel management including,

- Accident Review
- Regulatory Review
- Training Topic
- Technology Tips and Tricks
- Knowledge and Trivia Questions

The Schiff Show promises to be an hour well spent, which will fly by while you have fun and learn to be a safer pilot.
