

The Schiff Show - The Courage to Wait - Pilots and the Wisdom of No-Go

To go or not to go, that is the question. In this episode, we'll make a learning opportunity out of a close call and reveal why sometimes the bravest move is staying on the ground.

We'll rethink the classic "go, no-go" decision, challenge your aviation instincts, and tune up your approach to risk—because, like your AVEMCO insurance policy, the best lessons are the ones you pray you'll never use.

Registration is not required. After viewing the program, WINGS Credit is earned immediately upon successful completion of a short quiz. The link to that quiz is on the page noted below.
