

The Schiff Show - Final Approach To Tragedy - Checklist And Discipline Gone Wrong

Event Details

Through a detailed case study, we'll explore an accident's causes, the investigative findings, and the lessons learned for pilots and operators. If you want to deepen your understanding of stabilized approaches and aviation safety procedures, this session will provide knowledge, real-world context, and advice to help you sharpen your skills and improve safety outcomes.

Registration is not required. After viewing the program, WINGS Credit is earned immediately upon successful completion of a short quiz. The link to that quiz is on the page noted below.
