

Tri County Bi Monthly One Level of Safety Meeting

Summer is upon us, but safety is always in season. This month we will discuss Non-Towered Airport Traffic Pattern Operations, with emphasis on entry. Defined Minimum Maneuvering Speed will be introduced and reviewed. We will finish with the ever popular Comprehensive Airworthiness Checklist. Mix in some safety culture and who knows what else people will want to talk about.

Meeting will be held in the conference room of the Malden Country Club.

A message from the National FAASTeam Manager
