

2010 FAASTeam National Safety Stand Down

The 2010 FAASTeam's National Safety Stand Down presented during the Sun 'n Fun International Fly-In launches a major safety and education initiative to improve general aviation safety through live interactive presentations with knowledge and skill based training targeting the four areas producing the most aviation accidents: Loss of Control, Surface Safety, Owner Performed Maintenance, and Risk Management.

Directions: Joplin Regional Airport - Old Terminal Building adjacent to Mizzou Aviation.
