DRIVING DIRECTIONS

1001 NW. Lou Holland Dr.
Kansas City, MO 64116

866.880.6077 • 816.949.8900

- Richards Road runs parallel to 169 Hwy.
- Richards Road automatically turns into Lou Holland Drive.

ARRIVING HANGAR 10 – FROM THE NORTH ON 169 HWY

First Airport Exit

Located at the fuel farm at the north end of the airfield.

Turn right at stop sign at end of exit ramp – Richards Rd / Lou Holland Drive

H10 is 0.5 miles from fuel farm.

Second Airport Exit

Located between hangar 4 and the old terminal building.

Turn right at stop sign at end of exit ramp – Richards Rd / Lou Holland Drive

H10 is 1.5 miles from old terminal bldg.

ARRIVING HANGAR 10 – FROM THE SOUTH ON 169 HWY / BROADWAY BRIDGE

While driving north across the Broadway Bridge get into the left lane.

Take the downtown airport exit immediately after crossing the Missouri River.

The roundabout is located at the bottom of this exit ramp.

Option 1:

Travel north on Richards Rd.

** Pay close attention or you'll find yourself on the 169 North on-ramp **

Stay to the left as you pass the fuel farm at the far north end of the airfield.

H10 is 2.0 miles from the roundabout.
