

IMC Clubs - Mastering the Art of Instrument Navigation

The IMC Clubs concept is to bring together IFR-rated pilots who fly in real-world "actual IFR" and provide them an opportunity to share stories, network with the larger pilot community, and gain valuable insights and tips for their IFR flying - www.IMCCLubs.org

Directions: We meet in the conference - Through the front door, turn left to the end of the hall.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
