

## The FAA Taxi Test...Can You Pass?

This FREE live presentation provides a comprehensive look at scenario-based do's and don'ts and clear explanations of why certain taxi procedures are critical. Your surface safety knowledge will markedly improve and prepare you well for your next flight examination.

Local Tower Controllers along with the FAA Regional Flight Surgeon will also be available to answer any and all of your air traffic and medical questions. Join us for this fun, insightful event that will test your TAXI knowledge.

**Directions:** The Regnier Center is located off the Quivira entrance. The Capital Federal Conference Center Rooms A and B are located on the main floor of the Regnier Center and are clearly marked. Parking is free.
