

2014 OPERATION RAINCHECK TOUR

You are invited to join MCI Tower and Approach Control for the May 2014 Operation Raincheck Tour. This is your opportunity to experience the behind the scenes operation of our Air Traffic Control System. Come learn more about how we can better partner together to improve communication, safety, situational awareness, operational awareness, and operational efficiency in the air and on the ground.

The tour will take place at Kansas City International Airport Air Traffic Control Tower (MCI ATCT) on Wednesday, May 28, 2014, from 6:00 to 8:30 p.m. It will include a presentation from MCI staff and management, a tour of the MCI Tower and Approach Control operational areas, and our simulation training lab. Refreshments will be provided. Space is limited to 18 participants, so please RSVP today!

Please RSVP for the 2014 Operation Raincheck no later than May 14th to allow for Security clearance/ arrangements for entering the facility. You can RSVP by filling out the form at the link attached or by calling Brian Barnes at 816-329-2750. You can also RSVP by email at brian.a.barnes@faa.gov.

NON-US CITIZENS: Please RSVP by phone at 816-329-2738 and provide us the following:

- **Legal Permanent Residents:** Social Security Number (if available) and Green Card Number
- **Foreign Nationals:** Full Name, Date and Place of Birth, Passport number with country of issue, Citizenship and Country of residence.
