

# Flying Clubs & Partnership: Aircraft Ownership in this Internet Age

Flying clubs and partnerships are affordable alternatives to fly modern, well maintained aircraft. This free online webinar covers: Aircraft Maintenance Requirements for Owners FAA Regulations Pertaining to Partnership and Rental TSA Guidelines This webinar covers FAA safety topics meeting basic WINGS knowledge requirements for one hour of credit. Also covered: Club organization, rules, and liabilities.

**Directions:** Upon registration, you will receive an email with enrollment confirmation and login credentials for the online webinar. The meeting will start on time, so please log on ten minutes early to assure your connection. You will receive email instructions. Visit [www.latitudeflighttraining.com](http://www.latitudeflighttraining.com).

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
