

Fabric Covering Processes

When was the last time you had to do a repair or recover a fabric covered airplane? Would you be able to make the repair or recover to aircraft standards? Learn about the latest approved fabric covering systems and how they compare. Come and get a refresher, and find out what's new.

Directions: On Highway 76 (Country Blvd.) west of I-65

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
