

Kansas City General Aviation Weather Workshop

Training presentations for pilots will include icing, weather-related accidents, Kansas City metro weather, airborne radar and incorporating Skew-T charts into pre-flight planning.

Directions: NWS Training Center Auditorium

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
