

IMC Clubs-Too much heat in the cabin

In-flight problems are a real nuisance on clear, gorgeous days. So how do you feel about those same problems when you are in the weather? Let's talk about it.

Directions: Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. At the bottom of the hill, turn right and follow the road to the end. The hangar is on the west side of the parking lot next to the Cessna on a post. Lost? call me - 816-868-7655

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
