

MKC 2016 October Local Pilot Procedures Session 1

Receive a briefing on air traffic control and the Kansas City Downtown Airport Operations.

Directions: This Operation Rain Check is geared toward local MKC pilots. It focuses on local procedures and operations at the Kansas City Downtown Airport. Regular MKC pilots are encouraged to attend.

The tour is at the control tower. Once at the gate, press the call button and wait for someone to answer. Tell them that you are here for the Operation Raincheck tour. Please wait for the gate to close behind you after you enter.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
