

## IMC Clubs - Ice on the wings

I love ice in the summer in my margarita. I love ice in the winter in my scotch and soda. I don't like ice anytime on my wings. But this month, ice on the wings is what we are discussing. Come join the discussion. Come share your experiences with ice, and learn how others have handled the situation. (And you don't need to be instrument-rated to join in.)

**Directions:** Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. At the bottom of the hill, turn right and follow the road to the end. The hangar is on the west side of the parking lot. Lost? call me - 816-868-7655

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
