

## IMC Clubs - Go Fly or Stay Home?

Sometimes it is easy to decide we can safely fly. And sometimes the blowing snow makes it easy to decide to stay home. But what about those in-between cases? Where do you draw the line between flying or not when it comes to weather? airplane conditions? or your own condition? Come share your thoughts with your fellow pilots.

**Directions:** Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. At the bottom of the hill, turn right and follow the road to the end. The hangar is on the west side of the parking lot. Lost? call me - 816-868-7655

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
