

Kansas City Center Operation Raincheck

Receive a briefing on air traffic control and the Kansas City ARTCC. Tour the operation control room, weather service unit and traffic management unit. Workload permitting pilots will have the opportunity to spend time plugged in with a controller working live air traffic. Wings credit available.

Directions: Attendees will meet at the security building next to the Kansas City Center visitor parking lot located at 205 S Rogers Rd, Olathe KS 66062.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
