

FAASTeam presents:

Aviation Weather Center - FLYERS cold season aviation hazards workshop

See webinar information above.

Directions: The NWS FLYERS (FLYing Education Resources and Safety) team will be hosting a cold season aviation weather hazards workshop on November 12, 2020 at 6:00pm. The workshop will be virtual and will last about an hour, including a question and comment portion at the end of the workshop. Topics include; icing, turbulence, IFR, and TAFs. The Pleasant Hill Weather Forecast Office, the Olathe Center Weather Service Unit, and the Aviation Weather Center will be represented during the workshop. WINGS credit will be available for those that attend.

The workshop will be presented via GoToWebinar and a registration will be required. Please register at <https://register.gotowebinar.com/register/732815014575959309>. In most cases a simple download of the GoToWebinar applet is required. Pop-up blocker will need to be disabled to download the applet. If you need additional resources for utilizing GoToWebinar, please visit the GoToWebinar Website (<https://www.gotomeeting.com/webinar>). If you need additional assistance, please let me know.

If you have any questions, please feel free to reach out to me (scott.minnick@noaa.gov) or Warning Coordination Meteorologist Jonathan Leffler (jonathan.leffler@noaa.gov).
