

Managing the Risk Associated with Flying VMC to IFR

We will discuss the strategies for managing the risks associated with flying VFR into IMC. We will define IMC Conditions and the traps pilots fall into to get there. We will explore strategies for avoiding those traps as well as providing pointers for dealing with inadvertent entry into IMC.

Directions: Main Hangar

While on MO I-49 North or South, take exit 157 and proceed East on MO Hwy 7 to the first exit South (less than 1 mile) then South to the Airport.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.
