

Solid IMC and No fuel

Your flying along in IMC.. nothing spectacular pretty routine... You have the legal amount of fuel on board.. No problem. You try an approach into your destination and it is a no go.. you go missed approach and head to your alternate.. another no go.. you contact ATC and they send you somewhere else.. another missed and now a hold.. then.. no fuel.. What now?

Directions: The "Eagle Hanger" at KLXT is the Blue Building with the Aircraft on a pole out front. SW corner of the Parking area.
