

Are You Safe - IMSAFE

Dr. Richard Haile will lead a discussion on the IMSAFE checklist. He will specifically discuss some of the common illnesses that he sees in his practice and the impact they could have on flying. He will also discuss some common medications - both prescribed and over the counter -that pilots should avoid taking before flying. He will provide some alternative medication that can be safely consumed before flight.

Directions: Located at the intersection of I-49 and Highway 7. Turn east after exiting I-49. The airport entrance is the first street on the right. (about 2000 ft). Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.
