

IMC Clubs - Decision-making when there are no good choices

Let's talk about decisions. Not the easy ones, like being low on fuel with an airport just off your wing. Let's talk about decision-making when there are no good choices.

Whether you are the pilot who has been forced with making those decisions, or you are the less-experienced pilot who would like to learn what others have done, we welcome you to join the conversation.

Come join us on a cold December night and share your stories.

Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. At the bottom of the hill, turn right and follow the road to the end. The Larry Young Hangar is on the west side of the parking lot under the Cessna on a Post.

A message from the National FAASTeam Manager
