

Safety Consideration for the Light Sport Technician

This is a 15 day workshop for the Light Sport Repairman -

Enrollment in the 15 day workshop is required.

Successful completion of the Repairman Maintenance Rating allows you to perform the maintenance, the annual condition inspection, and the 100 hour inspections (required on aircraft used for hire) on Special Light Sport Aircraft and Experimental Light Sport Aircraft.

Directions are provided when folks sign up for the 15 day workshop

Total of 2 hours safety presentation.

A message from the National FAASTeam Manager
