

VMC Clubs - Being Mr Nice Guy Can Be Deadly

We pilots are often ready to say “yes” when asked. We like the feeling that other people think we are super capable, and so we often jump in to help out, especially when the request does not seem that difficult.

But sometimes, that little request turns out to be a bit bigger, and a bit bigger, and before it is all over, six people are dead.

This month’s discussion is a sober one, but I think it is important. And I think that it is particularly important for flight instructors.

Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. At the bottom of the hill, turn right and follow the road to the end. The Larry Young hangar is on the west side of the parking lot under the Cessna on a Post.

A message from the National FAASTeam Manager
