

CFI School - What They Did Not Teach You

New CFIs are often overwhelmed when they start with their first student, and realize there is a lot that they do not know. This meeting will give the new folks a chance to meet and talk with the old heads. New folks are encouraged to come and learn. Old heads are encouraged to come and pass on their knowledge. Whatever you want. Things like: how to find students; better ways to teach skills; do you need insurance; should you be teaching anything that will not be on the checkride. Come join us and learn!

Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. At the bottom of the hill, turn right and follow the road to the end. The Larry Young hangar is on the west side of the parking lot under the Cessna on a Post.

A message from the National FAASTeam Manager
