

IMC Club When It All Goes Wrong

As instrument pilots, we are always planning on fixing the problem that has yet to occur. But what if they come at you in groups? Come and chat with us about a situation where you have multiple problems at once. Learn from others, or let us know what you did went everything went wrong for you.

Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. At the bottom of the hill, turn right and follow the road to the end. The Larry Young hangar is on the west side of the parking lot under the Cessna on a Post.
