

Flying With 'True Grit

This will be a two-part seminar. Part one is "True Grit" which will discuss the over reliance on aviation automation and the reluctance to revert to a lower level of system management. Part two is "Doctoring Maintenance" which will discuss the human factors and behavioral issues concerning maintenance errors contributing to a fatal accident.

Directions: The Abilene Civic Center is also known as the old railroad depot located on the SW corner of Buckeye St and 2nd St.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
