

## Meet your Topeka Airport Tower Managers

This seminar provides the opportunity to discuss the latest airport safety issues with TOP and FOE Airport Tower Controllers. Will also discuss the upcoming NextGen ADS-B requirements.

**Directions:** The event will be held in the Air Explorer Post 8 building located in hangar #15 at Phillip Billard airport (TOP). Enter the airport on NE Sardou Ave, turn left (north) after passing terminal parking lots and drive to the last hangar on the right.

### A message from the National FAASTeam Manager
