

## Flight Review - Beneficial or Ineffectual

Flight Instructors have a responsibility to ensure that the flight review is tailored to the needs of the pilot. The objective of the flight review is to practice maneuvers that may save the pilot's life or at least avoid future aircraft damage.

**Directions:** Please enter the FAA building through the east doors. All FAA parking is available.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
