

## Topic of the Month - What is an Approval for Return to Service

We will be discussing what an Approval for return to service requires and what it means to an owner/operator. Who can do the approval and what to expect and see in a proper approval for return to service and the legal consequences of not obtaining a proper return to service before flight.

The Spencer Flight and Education Center is located at the Scott City Municipal Airport on the West side of the runway.

### A message from the National FAASTeam Manager
