

FAAS*Team*, LNK FSDO & ATC presents:

Select #: CE0916906
Representative PHILIP EUGENE JOSSI

Takeoff & Landing Operations, Local Airspace Changes / Nebraska Accidents & Incidents.

Tuesday, December 11, 2007 at 7:00 pm

Duncan Aviation-Duncan West Engine Shop
5000 Northwest 44th Street
Lincoln, NE

Contact: PHILIP EUGENE JOSSI
402-430-6887
jossi@jossi.com

This program will review the hazards and best practices for takeoff and landing operations. The program will include a review of Nebraska accidents and incidents and a discussion of impending changes in Approach Control airspace between LNK and OMA.

Directions: West side of Lincoln Municipal Airport. From Interstate 80: Turn off at Exit 395 (NW 48th St.). North on NW 48th to West Cuming (about 3 miles). East (right) on West Cuming to the Engine Service Center (classroom).

Message from the National Safety Program Manager:

**Safety is a learned behavior...Learn to be safer at the Learning Center found on
