

# Flight Instructor Open Forum

Main topic: 'Stalls' -- Recognition, Recovery, Prevention. 'What's happening out there', based on National accident data.

Also, "basic flight instruction techniques" and open discussion on better risk management and decision making practices in all pilots. The purpose: review how we teach these "live saving habits". This Forum meeting series DOES NOT RESULT in credit for CFI renewal.

**Directions:** I-80 to Lincoln, Exit 399, take road to Lincoln Airport Terminal, left on N. Park Road, proceed on road towards Duncan Aviation, FAA office is in the first one-story building on left, left side of building.

## A message from the National FAASTeam Manager

The new WINGS–Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
