

# The Human Factor...it's a Factor!

This training will dissect animations of actual runway incursions at towered airports throughout the US. Errors and lessons learned from these animations will then be discussed in detail. If you have ever experienced the "it could have been me" moment, then this seminar is for you. Google UNO Aviation Institute for map.

**Directions:** UNO Aviation Institute College of Public Affairs & Community Service (CPACS) Building, Room 132 D. Park west of building in Lot Q. Google UNO Aviation Institute for map.

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
