

Nebraska State Fly-In, FAA Safety Meeting

FAA FAASTeam Safety Meeting part of the 2015 Nebraska State Fly-In. Topic is Loss of Control Accidents. We will discuss various loss of control accidents, what lead up to them and how we can avoid these deadly accidents by always maintaining positive aircraft control.

Directions: Meeting will be in Hangar Number 44 at the Hebron Municipal Airport, Hebron, Nebraska.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
